- ▶ Retractable end tables
- ▶ Safety features
- ▶ Floor model

Streamline dough preparation tasks in your commercial kitchen with the Prepline dough sheeter machine. This sheeter is ideal for bakeries, restaurants, pizzerias, and hotels because it quickly churns out inch after inch of dough for pasta, wraps, pizza and baked goods. This is a 3/4 HP reversible floor model dough sheeter. It comes with stainless steel rollers that are adjustable to support dough thickness between the 1mm and 40mm range. Get more value with the Prepline food service dough sheeter that is built for durability and reliability.

▶ CE Certified

WARRANTY

Prepline products are backed by a 1 year manufacturer warranty. The unit itself and parts within are guaranteed against manufacturing defects for a period of 1 year. Glass due to its fragile nature, is not included under warranty coverage. Always inspect your delivery for freight damage before you accept it. Freight damage will not be considered a manufacturing defect and should be refused or remedied through a claim with the carrier.
