PSS-6000 10 Liter Stainless Steel Commercial Soup Kettle

FEATURES

- Durable design for continuous use
- 10-Liter capacity
- Stainless steel exterior
- Thermostatic control with 12 temperature settings
- Non-slip rubber feet
- Stainless steel hinge lid with ladle holder
- Cool-touch lid handle
- Inset is dishwasher safe
- Reheat cold food within 30 minutes
- Magnetic food label for identification
- Heating indicator light

The Prepline soup kettle is a great way to store large quantities of soup and liquid food ready for serving. Ideal for restaurants, buffets and catering services, this commercial soup warmer will hold stews, casseroles, curries, chilies and mulled wine at optimal temperatures. Expand your menu with 10 liters of ready-to-serve food items. What's more, an attractive and compact design captures your customers' eyes and makes this accessory a great front-of-house merchandiser.

- cETLus Listed

USR Brands is a US supplier of premium quality commercial cooking, refrigeration and food preparation equipment. Our aim is simple. Produce industry-leading commercial restaurant equipment at reasonable prices, and back it all up with an easy to understand, no nonsense warranty that people can count on.
